**NOTE: -**

A. It may kindly be noted that a comprehensive review of each question paper was carried out. In order to ensure fairness in evaluation, the incorrect questions were not considered. The marks for such questions were added to the remaining questions. As an example, consider a question paper where 8 questions out of 100 are identified as incorrect. Here are the proportional scores for two candidates:

If Candidate A Scores 80 out of 92 questions, the Proportional score will be  $(80/92) * 100 = 87\%$ .  
If candidate B Scores 40 out of 92 questions, the Proportional score will be  $(40/92) * 100 = 43\%$ .

These proportional scores were calculated based on the percentage of correct answers in relation to the total number of questions attempted by each candidate. Candidate A achieved 87% of the maximum possible score, while Candidate B achieved 43%.

- B. The candidature of OBC candidates is subject to the verification of OBC (NCL) status.  
C. The List of Waitlisted candidates for all the posts shall be published in due course.  
D. While every care has been taken in preparing the result, ICMR-NIMR reserves the right to rectify errors and omission, if any, at any stage of the recruitment process.
